When dropping mark:

Set start line at least 100 meters long and perpendicular to windward mark
Provide race course information via VHF, Channel 69.

Example:

“Fifty Point Racers, Race tonight is 6-2-6-2. Start sequence will begin at 6:30. Repeat, Race is 6-2-6-2. Start sequence will begin at 6:30.”

Schedule *StartBot* to start race at 6:29 with 1 minute pre-race warning.

If StartBot is unavailable, Sound horn at 5 min, 4 min, 1 min and at start.

When picking up mark:

Wait for last boat to finish race.

Pick up mark and store on your boat until next week start.

When you can not make a race or the scheduled does not work for you:

You must find another boat to take your responsibility.

Trade or barter your turn and update the club executive with the change.
